Date of Fair Value Assessment Completed:	01/04/2025
-------------------------------------------------	------------

Assessment Outcome:

This is a standard market product arranged and distributed via a regulated broker providing advice to the insured. Each party in the distribution chain providing a service that is commensurate to their remuneration levels. There is nothing in this product that would indicate that fair value is not provided to the customer.

Expected Date of Next Assessment:	01/04/2026
